Kenneth E. Jacobs

Upstate New York

Ken Jacobs is the kind of owner any horseman would love to have. In the business since 1985, 2010 is his Silver Anniversary in harness racing. A resident of Baldwinsville, NY, his base of operations has always been at the central New York oval. Ken has always raced young horses and the presence of his stable is always felt at the New York Sire Stakes and on the Grand Circuit.

From his earlier horses like Lizbet Kash to \$1.5 million dollar winner Kenneth J to current stake campaigners like He's Gorgeous, Ken Jacobs has always brought the best he could to the track and has always supported the sport right here in Upstate New York.
